

SEMI-WEEKLY INTERIOR JOURNAL.

VOL. XX.

STANFORD, KY., TUESDAY, APRIL 5, 1892.

NO. 11

LONDON, LAUREL COUNTY.

—Mr. Ray Province received a very unpleasant April fool. It wasn't a boy.

—The wife of Jake Geiser, hotel keeper Colony Barnstable, died Saturday night.

—John T. Hatcher, the tinsmith, has been made town marshal of London.

—Butcher Charles Girardot, in his own language, has 'told his whiskers shaved.'

—John H. Carrier has been around this week taking the list of town property and is now almost through.

—I don't see how I failed to mention that A. L. Reid was granted license to practice law at the last term of the common pleas court.

—It was such a nice day Sunday all of the young folks and lots of the old ones were out enjoying the beauties of the scenery and among the evergreens.

—Fred Zerkar, a Swiss, was struck by the train Thursday night, near the residence of A. L. Reid and will probably die. He was drunk and went to sleep on the track.

—A brakeman on a freight train had his right thumb mashed so badly while coupling cars Sunday, at Pittsburgh, that he was brought home to Mrs. Caldwell and Pennington, who amputated it just above the lower joint.

—Matt K. Pennington is here visiting his brother, Dr. Pennington. Miss Nellie Pittman is on a visit to Manchester. To use a stereotyped locution of the Mt. Vernon Signal, "Col. George W. Baker was in Mt. Vernon Sunday."

—Ed. T. Brown, Dr. R. T. Ramsey and Fred Brown are at the pool near Mt. J. T. Brown's Camp Creek farm on a fishing excursion. Dr. Ramsey sent home a 22 pound golden Friday evening and a sack full of fish. Col. Alex. Bottom, of Sulphurine, was in London last Thursday.

—Mr. James Frances, father of Alex Frances, so well known here, was in London Friday on his return from Woodbine. Mr. Frances had been out hunting a horse that had been stolen from him. Alex had met the thief in the road and captured him with the horse when Mr. Frances got there.

—Henry Barker, a colored plasterer, was arrested here Saturday charged with burglary at Manchester and taken there by Deputy Sheriff Theo Moran Sunday. He left that place the morning after a citizen's store had been broken open and suspicion fell upon him. He denied his guilt and refused to eat a bite during the 24 hours he was in jailor Lovell's custody.

—Senator Edward Parker has introduced a bill in the legislature to repeal the act allowing the Swiss colonists in Laurel to sell their native wine. This is the main source of revenue for a large number of Swiss settlers who live on the poorest land in the country and it would work a great hardship on them. They are nearly all democrats.

—Printer A. W. Higgins, who is now working on Brother Sampson's paper at Barboursville, was here Saturday and informs me that he will start a democratic paper for the 11th congressional district at this place in about four weeks. He says he has the assurance of a subscription list of at least 2,000 to begin with. I am for a democratic paper anywhere and everywhere, but I am very much afraid it won't pay in a one paper town like London.

WARNING.—The people of Stanford are congregating themselves on the prospect of having street cars at an early day. If our neighbors will take the advice of the people of Richmond they will leave them entirely alone. They are not needed in cities of less than 12,000 or 15,000 population. In Richmond, where the population is more than double that of Stanford, they are a most fearful nuisance, and there have been repeated threats to tear up the track. On Main street they obstruct traffic and make riding in buggies or carriages an abomination without any compensating advantages. They are supposed to run to pots for the benefit of travelers, but if a fellow depends on them to meet a train he will get left four times out of five. Neighbors of Stanford, if you are contemplating street cars, listen to us. Don't.—Richmond Register.

We believe you are right as a general thing. But with us the matter is different. Our line is to connect two towns, one of which is a big feeder of the other.

Pedagogue—How many quarts make a peck, Johnny?

That depends. One quart can make a peck of trouble, if it's a quart of whisky, while it takes thousands of quarts to make a peck of gold.

—The steamer Golden Rule burned to the water's edge at Cincinnati just as she was leaving for New Orleans. Miss Mollie Maloney and several deck hands lost their lives. The upper works of the wharfboat were burned and the steamer Fleetwood caught fire. The Golden Rule was valued at \$20,000 to \$25,000, and the cargo at \$50,000. The wharfboat less will also be heavy.

LANCASTER, GARRARD COUNTY.

CRAB ORCHARD.

HUSTONVILLE.

—The stone-masons T. Currey and Ballou & Gaines are receiving fresh coats of paint.

—Sam Keyton, of ev'ry, was fined \$50 before Judge Hemphill for selling whisky to George McCauley. McCauley was fined \$5 for being drunk and disorderly.

—Dr. Tom Root has joined the recently organized brass band. Now look out. It does mark as great a success in the land as he does at dentistry he will leave the other boys in the shade. By the way, the band is progressing finely, despite the predictions of numerous "marketers" that it would fall through.

—The ladies of the W. C. T. U., have established at the store of Ballou & Gaines a "woman's exchange," that is, will have on every Saturday afternoon, have for sale, pies, cakes, salads, sandwiches, &c., or anything "extra" one would wish for Sunday. They met with good success last Saturday. The proceeds will be used for the benefit of the Union.

—Deputy-Sheriff James Bettis, died Sunday morning at 2 o'clock of consumption. He leaves a wife and four small children to mourn his loss. The funeral services will take place today at 2 o'clock, conducted by Rev. J. E. Terry, after which the remains will be interred in the Lancaster cemetery. He was a member of the Knights of Pythias and the local lodge will attend the funeral in a body.

—Miss Frazee, of Maysville, who has been the guest of Miss Maggie Jennings, returned home this morning. Misses Besse Marksbury and Della Hughes spent Sunday with Miss Fannie Swope at Hindle. Mrs. W. J. Landrum is visiting her daughter, Mrs. W. G. Dunlap, at Camp Nelson. Mrs. W. J. Clemons is in Louisville this week. Mr. Tom Boyd, who was telegraphic operator here for a long time, has been appointed chief mail dispatcher on the R. N. L. & B. road. John Boughman and Will Woodcock, of Danville, were here Sunday. Clyde Herring, of Louisville, has been here for several days. Mr. and Mrs. Joe Carr have moved to the new house of Capt. Dillion, on York street.

—Mr. Tom Boyd, who was telegraphic operator here for a long time, has been appointed chief mail dispatcher on the R. N. L. & B. road. John Boughman and Will Woodcock, of Danville, were here Sunday. Clyde Herring, of Louisville, has been here for several days. Mr. and Mrs. Joe Carr have moved to the new house of Capt. Dillion, on York street.

—Mr. John Melvin has moved his family from Danville and they will occupy the Blaik house, near the depot. Misses Jean and Maggie Buchanan went to Louisville Thursday. Miss Jean will accompany her sister, Mrs. J. A. Haldeman, to Florida, and Miss Maggie will change Mrs. Haldeman's house while she is gone.

—The basket supper that was to have been given by the ladies of the Christian church last week was postponed on account of a failure to get the baskets, but the supper will be given on Thursday night, April 5th. Every one is cordially invited to attend, and they would be glad to have some of the members from Stanford attend, as they desire to make as much as possible, feeling that something has to be done to sustain the church at this place.

—Mr. Green Lindsay died on Friday night at the home of his mother, near town, of consumption. Mr. and Mrs. Sam Cochran were called on to give up their only child, which died Wednesday.

They have been extremely unfortunate in having to give up their children, this making the third one to die in about two years. We hope they may be able to realize that God does all things for the best and although it is hard to give them up, they are at rest, while we still have to battle with life's cares and troubles.

—Mr. John Melvin will on April 11 sell his house and lot and household furniture in Crab Orchard.

—Rev. Amos Stont was called to his home in Lancaster by a telegram to preach the funeral of Mr. Lettis, who died there Sunday.

—Mrs. Laura Moore spent several days in Danville. Since her arrival home she has been busy waiting on her son, Benjamin, who has been quite sick.

—The hop at Mr. Slaughter's was, as usual, very much enjoyed. We noticed a number of young Lancaster people over. There will not be another hop till Friday night week.

—Mr. Tom Napier lost a valuable nurse the latter part of the week. He had driven it to Maywood and it seemed entirely well, but immediately on taking it out of the cart on his return it laid down and died.

—Mr. Spitzer, of Russia, bought the farm of Mr. Fred Kruger, at Ottenloosin, the price paid being \$1,000. Mr. Kruger will move to Mt. Vernon, where he has a fine kiln, from which he expects to supply this section of country.

—Mr. John Melvin has moved his family from Danville and they will occupy the Blaik house, near the depot.

—The funeral services will take place today at 2 o'clock, conducted by Rev. J. E. Terry, after which the remains will be interred in the Lancaster cemetery. He was a member of the Knights of Pythias and the local lodge will attend the funeral in a body.

We hope they may be able to realize that God does all things for the best and although it is hard to give them up, they are at rest, while we still have to battle with life's cares and troubles.

—Christian College is enjoying the most successful session of its existence. By his untiring energy Prof. M. G. Thomson has built the school up to a point where success is a certainty and that he has gained the confidence of the people of this county is evinced in the fact that he has over 100 pupils—30 of them being boarders.

—Saturday was the regular horse show day, but owing to the inclemency of the weather only a small number were exhibited. The crowd in attendance was also small and it was deemed best to declare the "show" off and set another day. Next Saturday was the day decided upon and if the day is anything like fair, some good ones may be expected.

—Judge H. C. Gannitz and his estimable wife have given up the management of the Vendome Hotel and will in a few days start into the quiet life of house-keeping. They have made the Vendome a veritable haven for the weary traveler and will be sadly missed by the commercial tourist and others who have sought refuge under their hospitable shelter. They will be succeeded by Messrs. Jonathan Russell & Co., formerly of the Gore House, Junction City.

—Jim Allen and Jim Goode have returned from an unsuccessful fishing trip to Casey county. "The weather it rained, the wind it blew and the blamed fish wouldn't bite a hit." Mr. and Mrs. Jake Rose, of Junction City, spent Sunday with Mr. J. T. Rose and family.

—Mr. Ad Taylor, of Owingsboro, was here Sunday to see a lovely young lady, who spends the better portion of her time at Christian College.

—Mrs. E. C. Walton has returned home after a week's visit to her old home.

—Dr. W. S. Drye continues at the point of death. Mrs. America Bailey is improving. Miss Mary Lusk, of Daughters College, Harrodsburg, is visiting her mother, Mrs. Alice Lusk.

—The Lexington Press is authority for the announcement that Mr. Richard Norwood, of the wholesale grocery firm of Curry, Tindis & Norwood, of that city, and Miss Naunerie Campbell, the attractive and accomplished daughter of Mr. F. J. Campbell, proprietor of Rock Castle Springs, will be married at that popular resort April 12. The Press takes occasion to pay both of the young people very high compliments and of Mr. Norwood says: "From a standpoint of financial eligibility there are few better catches in the city. Besides this substantial recommendation, Mr. Norwood is a young man who has many fine qualities, has the finest sense of honor and possesses those innate elements that will make their owner personally popular."

—A dispatch says that the burial of Mrs. Jonathan T. Estill, who died in the Lexington asylum, took place in the Richmond cemetery. She lost her mind when George D. Barnes visited her and had never been restored. Mrs. Estill is the mother of Mrs. Lew Francis, whose husband, a believer in Schweinfurth, was buried the day before. This is the second death of Schweinfurth's followers within the last four days. Mrs. Francis, who is a monomaniac on the subject of Schweinfurth, was puzzled as to what to do with her husband's body and telegraphed to the "Christ Triumphant" at Rockford, asking what she should do with it, and he answered, "Put it in the ground for the present." It is believed that Mrs. Francis will go soon to Rockford, where she will reside permanently with "God," or as long as her funds last.

SEMI-WEEKLY INTERIOR JOURNAL

STANFORD, KY., - APRIL 5, 1892

W. P. WALTON.

THIS PAPER IS AN 8-PAGE ON FRIDAYS.

MR. CLEVELAND is taking a hand in the Rhode Island campaign with telling effect. He spoke Saturday at Providence to a vast audience and was most enthusiastically received. His speech was principally devoted to the tariff and these excerpts from it are but a sample of the splendid whole: "If hypocrisy is the homage vice pays to virtue, reciprocity may be called the homage prohibitory protection pays the genuine tariff reform." "Our opponents insist in the coming national canvass, settle accounts with us on the issue of tariff reform. It will not do for them to say to us this is an old and determined contention. The ten commandments are thousands of years old, but they and the doctrine of tariff reform will be taught and preached until mankind and the republican party shall heed the injunction: 'Thou shalt not steal.'" The democrats of Little Rhody are in high feather and claim that she will be redeemed next Thursday, but the odds are heavy against them.

It cost \$2,186.56 to bury Congressman Kendall. "Commissaries and miscellaneous items" foot up \$218.31, which of course means for champagne and other high-priced drinks. The man who furnished the carriage and hearse from Morehead to West Liberty got \$64, enough to buy the whole outfit. The undertaker comes in for \$632, about six times as much as he earned. These funeral junkets sent out by Congress prove a shame and a disgrace. It costs much more to bury the average Congressman than he is worth. Reform is badly needed. Let the wine-bibbing officials be dispensed with.

THE Rhode Island republicans refused to pit McKinley against Campbell when challenged to do so, but proposed to have a joint discussion by McKinley and Reed against Cleveland and Campbell, on a night that Mr. Cleveland was billed to speak elsewhere, knowing full well that the appointment would not be cancelled. It was a square back down under the state of case. McKinley doesn't want to meet Campbell. He has had that honor before with disastrous results.

The Jessamine Journal says that a number of democrats of that vicinity have declared themselves for Hill and have signed a petition to the Louisville Times requesting that paper to stop its opposition to him. That settles it. The Times will hoist the Hill flag now. It usually submits to dictation and accepts as correct the opinions of any little cross-roads set as more worthy of consideration than its own, which are made after a most thorough study of the situation.

Hosons seem to have been evenly divided between Bradley and Denny in the selection of State electors. W. G. Dunlap, a brother-in-law of the latter, and W. A. Morrow, nephew of the former, are the young roosters chosen to crow for the party-at-large. When they attempt to spread themselves over this great State, it is feared that they will be drawn somewhat thin in places, though they are pretty sharp youngsters.

The Louisville Times says of one of the cleverest republicans in the United States: It is a good thing for us democrats that there are not more John Yerkes republicans in the State. There is something almost irresistably winning about the manly courage, tempered with gentlemanly courtesy and marked always by the liberality of a broad mind, with which he presents the republican side of a case.

THE Minnesota democratic convention was red-hot for Cleveland, and instructed its delegates to vote and work for him as long as there is any reasonable hope for his nomination. They all do it but New York and she would have done herself more credit had she stood by her only really great statesman, instead of allowing Tammany, which is nearly always wrong, to have its way.

COL. SAM M. BURDETTE writes an interesting letter about the Iowa political situation to the Courier-Journal, in which he shows that the State is very strong for Cleveland, who would carry it if nominated. If the democrats nominate Cleveland and Boies the consensus of opinion is that Iowa will be made certainly and permanently democratic.

The editor of the Blue Grass Blade was fined \$100 and given 60 days in jail for libeling Rev. J. S. Sweeney and the Paris Christian church and he is now serving his term. Considering the gravity of the charges he seems to have gotten off quite lightly. The newspapers, without exception, so far as we have seen, condemn Moore's course and think his punishment deserved.

The Columbia Spectator asks "Why not Carlisle and Flower?" Because the people have declared that Grover Cleveland must head the ticket in this good year of our Lord, 1892.

E. P. SMITH, a leading Tammanyite, writes to a gentleman in Louisville that he believes that a great majority of the democrats of New York are for Cleveland, but they sat still and allowed Hill to secure the machinery. Says he: "Our delegates will vote for Hill on the first ballot, but will find the Cleveland sentiment so strong that they will quickly change and on a second ballot go to Cleveland. Hill did much for the party in this State, and we all feel grateful to him, but he made a mistake in his method of seeking the nomination, and, in my opinion, is 'not in it'." This seems to be the beginning of the prophecy of Judge Durham, to which reference was made in our last. May it be fulfilled. The Hill boom seems to be already dead, or fast becoming defunct.

The Newport Journal opposes the early polls closing because it would shut out a large number of its citizens, who in Cincinnati, from voting, unless they lose the time themselves. This is bad, we admit, but it is not worse than for the employer to be imbibed four hours' time for every man he has in his service to enable him to vote. A half day off for your men will not be as great a hardship as the Kentucky employer suffers under the proposed law. In this office alone we would lose about three days, if the men were to claim it on election day. Let the polls be closed at 4 o'clock and your Newport men will find a way to vote, if they want to.

SENATOR BLACKBURN says it would be suicidal to nominate either Cleveland or Hill, especially Cleveland, no doubt. The Senator dislikes the ex-president so much that he would feel like committing felony if he were nominated and elected, for his school of politicians would let him away out in the cold.

We heartily endorse the suggestion that Gen. John B. Castleman be made one of the delegates-at-large to the National Convention. He has done a great deal of hard and telling work for the democratic party, which would honor itself by sending so worthy, tried and true a man to represent it.

THE Ohio Legislature is about to gerrymander the congressional districts so as to give the democrats only six out of 21. A message from President Harrison inquiring on the meanness of the gerrymander is in order, but it will not be forthcoming. It makes a difference, always, whose ox is gored.

They are getting out of the way of the "bulldogs." Senator Collum says he is satisfied that the people want Harrison and he therefore withdraws from the contest. This is rather a useless proceeding. The Senator never was in the fight, except in his eye.

BRO. DENHAM, of the Williamsburg News, speaks of Editor Pyche, of the London Echo, as "the most harmless and unsophisticated republican ever produced in all the Sunny South." This is the most unkindest cut of all.

THE Vermont maple sugar makers will get \$100,000 bounty on this year's crop, money wrung from the other people of the country for no excuse whatever, except that might was right with the billion-dollar Congress.

THE GENERAL ASSEMBLY.

A bill has been introduced to have all the hangings in the penitentiary, as in Ohio.

Juries cost the Commonwealth of Kentucky last year the magnificent sum of \$283,788.

Afternoon sessions have been abolished on the alleged ground that it interfered with committee work and retarded progress.

Mr. Edington's bill allowing sheriffs compensation for conveying witnesses under arrest from one county to another passed the House.

The McCain tobacco bill is now ready for the governor's signature. It reduces warehouse charges and is supposed to be in the interest of raisers generally.

The Senate, in obedience to a very narrow prejudice, passed the separate car bill, 18 to 10. A separate car for the ill-bred, drunken white men is much more needed.

The Senate adopted an amendment to the bill providing that elections on local option shall only be ordered on petition of a third of the voters of the town, county or precinct.

Dr. Woods offered a resolution calling upon the auditor for information as to the amount of incidental expenses in the various State offices and the authority for such expenditures, which was adopted.

It will be bad if the bill introduced in the Legislature, disqualifying a juror from serving in the circuit court more than once in two years, becomes a law. The professional jurors and hangers-on won't have any show at all.

A bill to amend the statutes so as to make the firing of deadly weapons at random, or the selling of such weapon to a minor, punishable in the same degree as carrying concealed weapons, that is \$25 to \$100 fine and 10 to 30 days in jail, is before the House.

The bill allowing persons going to and from church, school children going to and from school, funeral processions and ministers to pass toll-gates free of charge, passed the House with an amendment making it operative on Sunday as to persons going to and from church.

NEWSY NOTES.

The total indebtedness of the city of Cincinnati at the first of the present year was \$24,528,000.

Rennie McCarthy has been sentenced to death at Louisville, May 13, for the murder of his wife.

Walter Cook, colored, was hung at Fairburn, Ga., Friday, for murder, in the presence of 10,000 persons.

N. S. Householder, a Daviess county tobacco grower, had \$1,500 burned up in his trunk on the Golden Rule.

Gov. Campbell has challenged Gov. McKinley to debate with him in Rhode Island and he will probably accept.

The Kentucky Republican Convention only "recommended" its delegates to vote for Harrison and did not instruct as stated.

The Sterling Dynamite Works blew up at Bessemer, Ala., killing four men. Nearly all the windows of the town were shattered.

Mrs. Elizabeth Flourney, sister of Senator Blackburn, died at Greenville, Miss., aged 70, and was brought to Frankfort for burial.

Here is another case: Miss Emma Fox, of Altoona, Pa., shot and killed herself because her love for Miss Birdie Boat was not returned. The young woman was of good parentage.

Capt. J. A. Jackson, of Mayslick, writes the Maysville Bulletin that on the forenoon of May 18, 1886, he planted corn, and in the afternoon rode into Mayslick in a two-horse sleigh.

Kentucky raises by local taxation and subscriptions, in addition to the State fund, about \$740,000 a year for the support of its schools, or about \$1.08 for every pupil, white and colored, in the State.

The New Orleans steamer Main was burned at sea, and it is feared that the 40 passengers and seamen aboard perished. Her cargo was valued at \$225,000, chiefly consignments from New Orleans merchants.

Two lynchings occurred in Ohio last week, the last at Millersburg, where an unknown negro was lynched merely because his presence was offensive. No negro has ever suffered such a penalty for so slight a cause in the South.

A seven story building at Chicago, the home of laborers, was blown down by a severe storm Friday. Three persons were killed, five are known to be in the ruins and eight more were fatally injured. Others were more or less hurt. The damage will reach hundreds of thousands.

There were two fires in New Orleans Sunday, one in the cotton district, destroying four compresses and 80,000 bales of cotton, and the other in the residence portion of the city, burning over four squares and destroying all the houses on them except four. Three firemen were injured by a falling wall. The loss is nearly three millions.

A fearful tornado swept Kansas Thursday night, killing 50 or more persons and wounding hundreds of others. The town of Tawanda, of 1,500 inhabitants, was literally wiped from the face of the earth, 25 persons being killed and 40 or more wounded. Several were killed at Augusta, seven at Wellington and great damage was done at Atchison, Leavenworth, Lawrence, St. Joseph and Kansas City, Mo., suffered heavily. Texas and Nebraska also suffered terribly. The loss all told reaches many millions.

DANVILLE.

All the old board of commissioners were re-elected last Saturday.

Senator Breckinridge returned to Frankfort Monday after a brief visit to his family.

Clarence Burns-Ide and Sonny Fields went up on the streets Sunday and were sent to the work house two days each, Monday morning.

Martin D. Hardin, a son of Hon. P. W. Hardin, of Frankfort, and a Centre College student, won the prize at the Georgetown oratorical contest last week.

"Woman's Will" was presented at the Opera House, Saturday night, by an amateur company from Lexington. The performers were good looking people, who played their roles very well, but the play was rather inclined to be weak than otherwise.

While Mr. J. J. Rust, who keeps the first toll gate at this end of the Perryville pike, was riding a horse and leading another last Saturday morning, the one he was leading fell down and jerked the second and third fingers off of his right hand. Dr. Dunlap rendered the necessary attention.

The board of trustees of Centre College Mar. 29, President Young made a statement regarding the condition and prospects of the institution, showing that in respect to the number of students, condition of finances, &c., the College was never more prosperous and never had a more encouraging outlook for the future. The report of the treasurer showed that the income of the College had doubled in the last four years. In further enlargement of the work of the institution it was determined to erect at once a new building for the Scientific Department. Funds were set apart for this purpose and a building committee was appointed to superintend the erection of the edifice, which is to have the most approved equipments and apparatus. The plans have virtually been selected and the work will begin immediately. The foundation will probably be well on the way by commencement.

The bill allowing persons going to and from church, school children going to and from school, funeral processions and ministers to pass toll-gates free of charge, passed the House with an amendment making it operative on Sunday as to persons going to and from church.

THE CINCINNATI ENQUIRER OF SATURDAY HAD AN ITEM FROM WALTON, KY., SAYING THAT A WOMAN GIVING HER NAME AS LATONIA HOFFMAN AND CLAIMING THAT SHE HAD RICH PARENTS IN LANCASTER, GOT OFF THE TRAIN THERE FRIDAY EVENING AND WHILE BEING TAKEN TO A HOTEL GAVE BIRTH TO A BABY IN THE BUGGY. SHE SAID SHE WAS IN SEARCH OF HER HUSBAND, WHO LEFT HER THREE WEEKS AGO TO BUY A FARM IN BOONE COUNTY.

MR. R. S. LYTLE, WHO WAS RECENTLY HURT BY THE U. S. CARS AT SOMERSET, HAS RECEIVED \$750 DAMAGES FROM THE Q. & C. COMPANY, BESIDES RECEIVING \$25 A WEEK FOR NEARLY THREE WEEKS FROM THE U. S. ACCIDENT INSURANCE CO., IN WHICH HE HELD A POLICY. AS THE J. M. RODDISON CO. DID NOT DOCK MR. LYTLE FOR LOSS OF TIME, HE CAME OUT CONSIDERABLY THE GREATER, THOUGH THE ACCIDENT CAUSED HIM GREAT SUFFERING.

SEVERAL TIMES SINCE CHRISTMAS THE STORE OF MRS. NAOMI AND BELLE JONES, AT MT. SILEN, HAS BEEN RAIDED, BUT THE IDENTITY OF THE THIEF REMAINED A MYSTERY TILL THURSDAY NIGHT, WHEN THE CLERK, DAVE HILL, CAUGHT A NEGRO NAMED JAS. CLOUD DEAD TO RIGHTS. HE HEARD HIM REMOVING THE WINDOW AND ALLOWED HIM TO GET IN BEFORE HE ORDERED HIM TO HALT, WHICH HE DID VERY QUIRKLY, ALTHOUGH ARMED WITH A .32 CALIBER PISTOL.

CLOSE CALL.—WHILE MRS. WOODY HALE WAS AT CHURCH FRIDAY NIGHT, LITTLE ED HALE WAS TAKEN WITH THE TOOTHACHE AND RUMMAGING AROUND IN THE PRESS, FOUND SOME CHLORFORM, WHICH HE TOOK. WHEN MRS. HALE RETURNED, SHE FOUND HIM APPARENTLY DEAD, AND DISPATCHING JOHN FOR DR. PEYTON, SHE BEGAN TO APPLY SUCH REMEDIES AS SHE COULD IN HER EXCITED CONDITION THINK OF. THE DOCTOR SOON ARRIVED AND AFTER SEVERAL HOURS' HARD WORK, THE LITTLE BOY WAS RESTORED TO CONSCIOUSNESS. IT WAS A VERY CLOSE CALL AND ED WILL HARDLY TRY THAT KIND OF BUSINESS AGAIN.

TAX THE DOGS.—REFERRING TO OUR DEMAND FOR A HOGKIN-SAUSSAGE FACTORY OR A DOG TAX HERE, THE BIRMINGHAM REGISTER TELLS HOW DOGS ARE REGULATED IN THAT WELL-MANAGED CITY. IT SAYS "IF A DOG IS FOUND ON THE STREET WITHOUT A TAX-PAID COLLAR AROUND HIS NECK, HE IS INSTANTLY KILLED. THE TAX IS \$1 PER HEAD, AND IT IS THE ONLY WAY TO PREVENT HYDROPHOBIA AND KEEP THE DOGS FROM MULTIPLYING AND FILLING THE WHOLE EARTH." EXACTLY. WE HOPE THE NEW COUNCIL WILL HAVE THE COURAGE TO PASS SUCH A LAW FOR STANFORD. THE KEEPING OF A DOG IS NOT A NECESSITY, AND THOSE WHO PERSIST IN IT, WITH NO OTHER APPARENT OBJECT THAN TO WORRY THEIR NEIGHBORS, OUGHT TO PAY FOR IT.

THE CRAB ORCHARD SPRINGS COMPANY HAS DISPOSED OF THAT PROPERTY TO SYERA, MCBRIDE & WEBSTER, OF INDIANAPOLIS, FOR AN ALLEGED CONSIDERATION OF \$100,000. THE FIRM OWN THE RIGHT IN KENTUCKY FOR THE TREATMENT OF INFLUENZA WITH THE KEELEY BI-CHLORIDE OF GOLD CURE, AND IT WILL TURN THE FAMOUS SUMMER RESORT INTO A MAMMOTH SANITARIUM. THERE IS NO DOUBT ABOUT ITS BEING THE BEST LOCATION IN THE STATE FOR IT, BUT THE THOUSANDS OF PEOPLE WHO HAVE FOR YEARS SPENT EITHER THE SEASON OR A FEW DAYS AT CRAB ORCHARD, WILL EXPERIENCE DEEP REGRET AND SADNESS THAT IT WILL BE CHANGED TO OTHER USES. THE NEW COMPANY WILL OPEN UP ON THE 1ST PROX. IT IS SAID THAT THREE PHYSICIANS FROM THE ILLINOIS CURE WILL ADMINISTER THE TREATMENT.

I HAVE JUST OPENED A FULLLINE OF SPRING AND SUMMER MILLINERY, EMBRACING THE LATEST NOVELTIES. THE LADIES ARE CARNESTLY INVITED TO CALL AND EXAMINE. ANNIE WRAY, LANCASTER STREET.

DEPUTY SHERIFF TOM WALKER PLACED IN JAIL HERE YESTERDAY MARTIN BAKER, COLORED, CHARGED WITH BURNING THE CABIN OF GEORGE LEWIS, SOME MONTHS AGO.

CAPT. JIM DUGLASS WAS FINED \$1 AT PITTSBURG FOR SWARING AT A FELLOW NAMED THOMPSON, WHO REFUSED TO GET OFF HIS TRAIN, WHICH WAS NOT ALLOWED TO CARRY PASSENGERS. THIS SEEMS TO BE PRETTY TOUGH.

THE NEWS COMES FROM LOUISVILLE THAT MRS. THOMAS H. SAUNDERS PRESENTED HER HUSBAND WITH A GIRL LAST WEEK, WHO HAS BEEN NAMED JENNIE MAY LUCILLE. MRS. SAUNDERS WAS MISS BESSIE HARRIS, DAUGHTER OF LAWYER H. T. HARRIS.

WE HAVE HAD MORE WIND SINCE APRIL COME IN THAN DURING ALL OF MARCH. THE WEATHER OTHERWISE HAS BEEN PLEASANT, THOUGH, AND VEGETATION IS BUNNING ITSELF. THE PEACH TREES ARE BLOOMING AND THE BUDS GENERALLY ARE ALIVE.

THE STATE BOARD OF EQUALIZATION NOTIFIES JUDGE VARNON THAT IT DID NOT RAISE LINCOLN COUNTY'S ASSESSMENT A CENT. BOYD GOT A REDUCTION OF 20 PER CENT. ON LAND AND 15 ON LOTS AND RECEIVED THE CREDIT OF BEING THE HIGHEST ASSESSED COUNTY IN THE STATE.

A SIGNER NAMED ED BUSTER, WHILE DRINKING SATURDAY HOLD UP HIS HAND AND SAYING TO HIS COMPANIONS, "SEE ME PUT A HOLE THRU THAT," FIRED. THE BALL WENT IN THE HAND BETWEEN THE THIRD AND FOURTH FINGERS AND UNFORTUNATELY PASSED OUT WITHOUT BREAKING A BONE OR HURTING HIM MUCH.

SATURDAY EVENING A COUPLE OF MAIN STREET MERCHANTS BROKE PLANKS OVER EACH OTHER'S HEADS AND YESTERDAY ANOTHER DREW A HATCHET ON A LIVERYMAN, WHICH, HOWEVER, HE FAILED TO USE. THEY ARE GETTING TO BE A FEROCIOUS SET AND WE FEAR THAT ROCKS WILL HAVE TO BE TIED TO THEIR COAT TAILS.

THE STORY TELEGRAPHED FROM CRAB ORCHARD THAT MUCH SYMPATHY WAS AROUSED IN LINCOLN OVER THE TREATMENT OF EDITOR MOORE AT PARIS, WITHOUT FOUNDATION IN FACT SO FAR AS WE CAN LEARN. A VERY FEW OF HIS WAY OF THINKING MAY SYNPATIZE WITH HIM, BUT THE REST OF THE PEOPLE WHO THINK OR KNOW ANYTHING ABOUT IT ARE UTTERLY INDIFFERENT, EXCEPT IN A GENERAL WAY TO WANT ALL OFFENDERS PUNISHED. THE PARIS KENTUCKIAN VERY TRULY SAYS, "THE ARREST AND PROSECUTION OF MOORE IS NOT ON ACCOUNT OF HIS PROHIBITION VIEWS. MOST OF THE MEN WHO ARE AGAINST HIM HERE ARE TEMPERANCE MEN. IT IS A FIGHT AGAINST THE PUBLICATION OF SLANDEROUS ARTICLES ON CHRISTIAN PEOPLE, AND WHEN THE TEMPERANCE FRATERNITY ATTEMPT TO SET THEM UP AGAINST CHRISTIANITY, MORALITY AND COMMON DECENCY, THEY WILL LOSE THE CONFIDENCE AND THE RESPECT OF ALL GOOD PEOPLE."

DURING THE RECENT HEAVY SNOW A TIME LOOKING FELLOW GIVING HIS NAME AS KINGMAN AND CLAIMING TO REPRESENT DENNISON, THE LOUISVILLE FOUNT DEALER, DROVE FROM DANVILLE TO THIS PLACE IN A TWO-HOUSE SLEIGH AND "AGONIZED" CONSIDERABLY. HE TOOK ORDERS FROM SEVERAL OF THE MERCHANTS HERE AND MAILING THEM SIGNED THE NAMES OF THE GENTLEMEN WHO WANTED THE GOODS. THE GOODS CAME UP ALL RIGHT AND ON THE SAME DAY THE "SLICK DUCK" ALSO SHOWED UP. HE VISITED FARRIS & HARDIN, B. ZIMMER, MCKINNEY BROS., AND A. A. WARREN AND STATED THAT HE COULD SAVE THEM THE TROUBLE OF SENDING IN A CHECK BY PAYING HIM THERE AND THEN. THEY DID SO AND NOW THEY REQUESTED THAT THEY DO. MR. ZIMMER SEEMED TO BE THE EASIEST VICTIM AND HE WAS REQUESTED BY KINGMAN TO IDENTIFY HIM AT THE BANK, WHERE HE HAD THE CHECKS CASHED, ALSO ONE OF TILFEE & BRO., OF DANVILLE. SATURDAY A SECOND BILL CAME TO THE VARIOUS GENTLEMEN WHO HAD BOUGHT OF KINGMAN AND AN UNACCREDITED REPRESENTATIVE CAME ALSO. THIS GENTLEMAN STATES THAT KINGMAN HAD NO EARTHLY CONNECTION WITH DENNISON AND THAT HE WAS NOW IN SEARCH OF HIM. OUR MERCHANTS HERE STATE THAT THEY WILL NOT PAY THEIR BILLS AGAIN AND A LAW SUIT OR TWO WILL LIKELY FOLLOW.

THE ELECTION FOR CITY JUDGE SATURDAY RESULTED IN A BIG VICTORY FOR THE PRESENT INCUMBENT, WHO HAS HELD THAT OR A SIMILAR OFFICE FOR MORE THAN A QUARTER OF A CENTURY. JUDGE W. B. CAISON RECEIVED 128 VOTES; THOMAS A. BICE 11 AND L. M. LASLEY 6. IN JUSTICE TO HIS COMPETITORS, HOWEVER, IT MUST BE SAID THAT THEY WITHDRAW EARLY IN THE ACTION, LEAVING THE OLD JUDGE A CLEAR TRACK. THERE WAS NOT MUCH OF A CONTEST FOR COUNCILMAN, THE OLD BOARD BEING RE-ELECTED, WITH THE EXCEPTION OF TWO, WHO RESIGNED SOME TIME SINCE. THE VOTE WAS AS FOLLOWS: THE FIRST SEVEN BEING CHOSEN TO THE COUNCIL FOR THE EN-SUING TWO YEARS: DR. J. F. PEYTON, 139; L. M. BRUCE, 128; D. W. VANDEVER, 128; A. M. MCKINNEY, 112; J. W. HAYDEN, 91; COL. W. G. WELCH, 128; DR. S. G. HOOKER, 78; DR. J. G. CARPENTER, 70; A. R. PENNY, 33; J. S. HUGHES, 31; J. J. McROBERTS, 31; J. M. HAIL, 30; WM. DUNGHERRY, 28; H. F. FARRIS, 10; AND PETE HAMPTON 1. SEVERAL OF THE MEN VOTED FOR DERIVED BEFOREHAND THAT THEY WOULD NOT SERVE, IF ELECTED, BUT THEIR FRIENDS PERSISTED IN VOTING FOR THEM. ACCORDING TO THE RULE THAT HAS PREVAILED HERETOFORE, DR. J. F. PEYTON WILL BE MAYOR, HE HAVING RECEIVED THE LARGEST VOTE, BUT THAT OF COURSE IS WITH THE COUNCIL, WHICH WILL LIKELY RE-ELECT DR. VANDEVER. IT WILL BE OBLIGED THAT THE BOARD IS COMPOSED OF MEN, EVERY ONE OF WHOM LIVES EAST OF DEPOT STREET, LEAVING THE WEST END OF THE TOWN UNREPRESENTED, BUT THAT OUGHTN'T TO MAKE ANY DIFFERENCE WITH THOSE HAVING THE INTEREST OF THE WHOLE TOWN AT HEART.

CHURCH AFFAIRS.

The members of the Cynthiana Baptist church have let the contract for the erection of a \$10,000 building.

Rev. W. A. Broadhurst, pastor of the Midway Christian church, died Friday. Mrs. A. C. Hopkins, his sister, was with him in his last moments.

Rev. Lapsey McKee will preach at the Methodist church next Sunday morning at 11 and in the afternoon at 3, the latter for the special benefit of the children, all of whom are invited.

The largest heathen temple in the world is Springfield, and it comprises a square, each side being one mile in length, inside of which are six other squares. The walls are 25 feet high and five feet thick, and the hall where pilgrims congregate is supported by 1,000 pillars, each cut from a single block of stone.

According to the Baptist Year Book there were 487 deaths among preachers last year; there were 47 received from other denominations; there are 21 orphanages and charitable institutions, 157 colleges and universities, 1,153 associations, 23,500 preachers, 35,800 churches, 169,247 baptisms during the year and 3,269,801 members. On Sunday-schools there are 18,829, with 136,053 officers and teachers and 1,307,628 students.

A romance in real life has just been reported to the Eastern papers from Christmasville, a small town in West Tennessee. The story goes that James Cook wood and won the affections of Miss Luia Carter, but shortly afterwards he left for the West to make his fortune before consummating his nuptial vows. His pretty promised wife vowed constancy, and Jim was as happy as a king the morning he departed on his long journey. Alas! for the uncertainty of this life. Shortly after the chosen suitor took his departure, a gay bohemian named Tip Simmons laid siege to the pledged heart. Finding that his game of love making would not win, Simmons intercepted the letters from the girl's sweetheart and soon succeeded in estranging the lovers, and in a few days thereafter got the girl's consent and they were quietly married. Finding his miserable without his fair ensaver or some word from her, Cook returned to his old home, arriving the next day after his promised bride's marriage to the shrewd scoundrel, Simmons. Not in the least abashed by this announcement, Cook went to the newly made wife and explained all to her, and she now announces that she will accompany her real lover to the West, marital ties or no marital ties.—Owensboro Inquirer.

It is much easier to start an evil report than to stop it. Even after a rumor has been proven false, the harm it has done cannot always be undone. Before repeating a bit of gossip, it would be well to ask ourselves these questions: First, "Is it true?" Second, "Is it kind?" Third, "Is it necessary?" This practice would be sure to save us from many bitter memories and regrets.

The pious Philip of Neri was once visited by a lady who accused herself of slander. He bade her go to the market, buy a chicken just killed and still covered with feathers and walk a certain distance, plucking the bird as she went. The woman did as she was directed and returned, anxious to know the meaning of the injunction.

"Retrace your steps," said Philip, "and gather up one by one all the feathers you have scattered."

"I cast the feathers carelessly away," said the woman, "and the wind carried them in all directions."

"Well, my child," replied Philip, "so it is with slander: like the feathers which the wind has scattered, they have been wafted in many directions. Call them back now, if you can. Go sin no more."

—Dr. Hartcourt, of the Grace Methodist church, Baltimore, in a sermon last Sunday proved to his own satisfaction at least that Adam was no gentleman, because he tried to excuse his own sin by hiding behind a woman. And this reminds us that that same ungentlemanly instinct of Adam has been humbled down pretty well. Rev. T. A. Della, who is on trial before his church in Maryland, for seduction, swore that the woman made the first advances on her return home the same night she got religion by throwing her arms around his neck and kissing him again and again, and followed it up by going to his room that night over his protests, and getting in bed with him. Which story would hardly do to tell to the marines, certainly not to ordinary, everyday church deacons.
